## HOW TO CITE RULES AND RSMO

### RULES

The rules are codified in the *Code of State Regulations* in this system–

| Title      |  | Division           | Chapter                   | Rule                       |
|------------|--|--------------------|---------------------------|----------------------------|
| 3          | CSR                                      | 10-                | 4                         | .115                       |
| Department | <i>Code of<br/>State<br/>Regulations</i> | Agency<br>Division | General area<br>regulated | Specific area<br>regulated |

and should be cited in this manner: 3 CSR 10-4.115.

Each department of state government is assigned a title. Each agency or division in the department is assigned a division number. The agency then groups its rules into general subject matter areas called chapters and specific areas called rules. Within a rule, the first breakdown is called a section and is designated as (1). Subsection is (A) with further breakdown into paragraphs 1., subparagraphs A., parts (I), subparts (a), items I. and subitems a.

The rule is properly cited by using the full citation, for example, 3 CSR 10-4.115 NOT Rule 10-4.115.

Citations of RSMo are to the *Missouri Revised Statutes* as of the date indicated.

**R**ules appearing under this heading are filed under the authority granted by section 536.025, RSMo 2016. An emergency rule may be adopted by an agency if the agency finds that an immediate danger to the public health, safety, or welfare, or a compelling governmental interest requires emergency action; follows procedures best calculated to assure fairness to all interested persons and parties under the circumstances; follows procedures which comply with the protections extended by the *Missouri* and the *United States Constitutions*; limits the scope of such rule to the circumstances creating an emergency and requiring emergency procedure, and at the time of or prior to the adoption of such rule files with the secretary of state the text of the rule together with the specific facts, reasons, and findings which support its conclusion that there is an immediate danger to the public health, safety, or welfare which can be met only through the adoption of such rule and its reasons for concluding that the procedure employed is fair to all interested persons and parties under the circumstances.

**R**ules filed as emergency rules may be effective not less than ten (10) days after filing or at such later date as may be specified in the rule and may be terminated at any time by the state agency by filing an order with the secretary of state fixing the date of such termination, which order shall be published by the secretary of state in the *Missouri Register* as soon as practicable.

**A**ll emergency rules must state the period during which they are in effect, and in no case can they be in effect more than one hundred eighty (180) calendar days or thirty (30) legislative days, whichever period is longer. Emergency rules are not renewable, although an agency may at any time adopt an identical rule under the normal rulemaking procedures.

## Title 13—DEPARTMENT OF SOCIAL SERVICES Division 65—Missouri Medicaid Audit and Compliance Chapter 3—Participant and Provider Procedure

### EMERGENCY RULE

#### 13 CSR 65-3.010 Participant Lock-In Program

*PURPOSE: This rule establishes a process to safeguard against unnecessary or inappropriate utilization of care and services by MO HealthNet participants by identifying excessive use patterns in order to rectify overutilization practices of participants.*

*EMERGENCY STATEMENT: The Department of Social Services, Missouri Medicaid Audit & Compliance Unit (MMAC), determines that this emergency rule is necessary to protect public health, safety, and/or welfare and to preserve a compelling governmental interest. MMAC has long been responsible for reviewing MO HealthNet participants who may be subjecting the MO HealthNet program to fraud, waste, and abuse through mis-utilization or over-utilization of their MO HealthNet benefits. A participant usually engages in such conduct in order to obtain opiates or other pain-killing drugs. If MMAC determines that a MO HealthNet participant is mis- or over-utilizing MO HealthNet benefits, MMAC can lock-in the participant to a particular physician, to a specific pharmacy, or both. A version of the lock-in regulation currently exists under a MO HealthNet regulations in 13 CSR Chapter 70, but that regulation is scheduled to be rescinded on January 30, 2019. Because the regulation affected MMAC's*

*duties more than MO HealthNet, DSS decided to move the regulation to 13 CSR Chapter 65 – the chapter of regulations dedicated to MMAC – in conjunction with making a few amendments to the rule. Due to unforeseeable delays in the rulemaking process, however, the lock-in regulation of Chapter 65 will not be effective until February 28, 2019, leaving the state without the program for approximately one month. On average, MMAC reviews medical and pharmacy records of 210 MO HealthNet participants in a month with about 25% of these reviews leading to the locking in of the participant and a savings to the MO HealthNet program of an average of \$458,000 each month. MMAC needs this emergency regulation to combat instances of MO HealthNet participants misusing or abusing their physician or pharmacy benefits and thereby protecting the public health, safety, and/or welfare of MO HealthNet participants. MMAC also needs this emergency regulation to protect government interest of not paying for unnecessary MO HealthNet benefits. The scope of this emergency regulation is limited to circumstances creating the emergency and complies with the protections extended in the Missouri and United States Constitutions. MMAC believes this emergency regulation is fair to all interested persons and parties under the circumstances. The proposed rule was published in the *Missouri Register* on September 4, 2018 (43 MoReg 2555-2556) and the order of rulemaking was published on January 15, 2019 (44 MoReg 440-441). This emergency rule, filed on January 18, 2019, becomes effective January 30, 2019, and expires February 28, 2019.*

(1) Definitions applicable to the administration of this program are as follows:

(A) “Lock-In” means limiting or restricting a participant’s ability to access services to a single physician and/or a single pharmacy to reduce excessive MO HealthNet benefits usage;

(B) “Medically necessary” means health care services or supplies that are needed to diagnose or treat an illness, injury, condition, disease, or its symptoms and that meet accepted standards of medicine;

(C) “Misutilization” or “misuse” means overusing, underusing, or using MO HealthNet services in a way that is harmful, wasteful, and uncoordinated or using services provided under the MO HealthNet program in an improper or incorrect manner, whether that use is intentional or unintentional;

(D) “Overlap” means at least one (1) day of overlapping dispensing of prescriptions written by two (2) or more different prescribers; and

(E) “Therapeutic class” means a class of medications that are used to treat similar medical conditions.

(F) “MMAC approved pharmacy” means a licensed pharmacy that is currently enrolled with MO HealthNet and is not currently sanctioned or under investigation by any federal or state authority; and

(G) “MMAC approved physician” means a licensed physician that is currently enrolled with MO HealthNet and is not currently sanctioned or under investigation by any federal or state authority.

(2) Unless a participant shows that the service or product provided to the participant was otherwise medically necessary, the Missouri Medicaid Audit and Compliance Unit (MMAC) may place the participant in the Lock-In Program if the participant’s utilization of benefits exceeds one (1) or more of the following parameters during a three- (3-) month period:

(A) Use of three (3) or more drugs in the same therapeutic class such that the prescriptions of such drugs overlap;

(B) Use of three (3) or more pharmacies;

(C) Use of sixteen (16) or more prescriptions for therapeutic classes such as, but not limited to, analgesics, anticonvulsants, skeletal muscle relaxants, anxiolytics, or other potential drugs of misuse;

(D) Use of three (3) or more providers that specialize in a same or similar service or product;

(E) Use of three (3) or more different emergency departments; or

(F) Use by referral, review, or other analysis that indicates possible overutilization or that identifies a patient safety issue.

(3) Placement in the Lock-In Program.

(A) The decision to place a participant in the Lock-In Program is at MMAC's discretion. MMAC is to consider the following factors when deciding whether to place the participant in the Lock-In Program:

1. Seriousness of the findings – MMAC will consider the seriousness of the findings including, but not limited to, overlaps of the same therapeutic class of prescription medications, the use of multiple pharmacies, the prescription of the same therapeutic class of prescription medications by multiple, like, or different prescribers, emergency department visits for non-emergent services, the use of multiple emergency departments in different locations, and the use of multiple primary care clinics;

2. Extent of Inappropriate Utilization of Services – MMAC will consider the extent as measured by, but not limited to, the number of overlapping prescriptions within the same therapeutic class prescribed by different prescribers and the number of emergency department visits and locations for diagnoses that are non-emergent such as back pain, lumbago, pain in limb, or toothache;

3. Prior History of Action Taken by the Lock-In Section – MMAC will consider whether or not the participant has been given prior education by the Lock-In Section which includes any education letters, warning letters, or previous placement in the Lock-In Program.

(4) A participant shall be placed in the Lock-In Program if the participant's utilization of benefits was misused by any of the following methods:

(A) Lending or giving the participant's Medicaid ID card to ineligible individuals who are not eligible for Medicaid;

(B) Submitting, or causing to be submitted, forged documents to providers for medical benefits or services;

(C) Refusing to submit to, or failing to have predicted, urine or blood levels following testing for medications prescribed to the participant and covered by the MO HealthNet program while engaged in a pain management or substance use disorder treatment program; or

(D) Paying cash for prescribed medications covered by the MO HealthNet program.

(5) Once MMAC identifies a participant that falls under subsection (2) or (3) of this rule and notifies the participant of its decision to place the participant in the Lock-In Program, the participant is to provide MMAC with the following:

(A) Notification within twenty (20) days of the participant's selection of a single physician and a single pharmacy that must be approved by MMAC. In the event the participant fails to select an MMAC approved physician and pharmacy, MMAC will select a single physician and a single pharmacy on behalf of the participant;

(B) Notification if the participant requires more than one (1) physician or pharmacy for the purposes of specialized medical treatment. MMAC may permit a participant to select more than one (1) physician or pharmacy upon showing of such need; and

(C) Notification of any request to change a selected physician and/or pharmacy. A participant may not request to change selection of physician and/or pharmacy more than once within a three (3) consecutive month period unless additional provider changes within that three (3) consecutive month period are approved upon verification of just cause. A participant may only change a selected physician and/or pharmacy if any of the following occur:

1. The physician or pharmacy moves, retires, dies, discontinues MO HealthNet participation, or refuses to provide care to the participant; or

2. The participant moves from the physician's service area.

(6) A participant who is subject to the Lock-In Program may not

select a single physician and single pharmacy if the single physician and/or single pharmacy decline to serve as the participant's single physician or pharmacy.

(7) A participant who is subject to the Lock-In Program may only receive services from a provider who is not the designated physician and/or a pharmacy that is not the designated pharmacy in the following circumstances:

(A) Documented medical emergencies;

(B) Upon referral by the participant's designated Lock-In provider; or

(C) As otherwise authorized by MMAC.

(8) A participant who is placed in the Lock-In Program will be subject to Lock-In for a minimum of twenty-four (24) months. If after twenty-four (24) months, MMAC determines that the participant is continuing to misuse the MO HealthNet program as set forth in this rule, MMAC may impose an additional Lock-In period for up to twenty-four (24) additional months.

(9) Any participant who is aggrieved by a decision made under this regulation may seek administrative review under section 208.080, RSMo.

*AUTHORITY: sections 208.201 and 660.017, RSMo 2016. Emergency rule filed Jan. 18, 2019, effective Jan. 30, 2019, expires Feb. 28, 2019. A proposed rule covering this same material was published in the September 4, 2018, Missouri Register (43 MoReg 2555-2556) and the order of rulemaking in the January 15, 2019, Missouri Register (44 MoReg 440-441).*

**U**nder this heading will appear the text of proposed rules and changes. The notice of proposed rulemaking is required to contain an explanation of any new rule or any change in an existing rule and the reasons therefor. This is set out in the Purpose section with each rule. Also required is a citation to the legal authority to make rules. This appears following the text of the rule, after the word "Authority."

**E**ntirely new rules are printed without any special symbolology under the heading of proposed rule. If an existing rule is to be amended or rescinded, it will have a heading of proposed amendment or proposed rescission. Rules which are proposed to be amended will have new matter printed in boldface type and matter to be deleted placed in brackets.

**A**n important function of the *Missouri Register* is to solicit and encourage public participation in the rulemaking process. The law provides that for every proposed rule, amendment, or rescission there must be a notice that anyone may comment on the proposed action. This comment may take different forms.

**I**f an agency is required by statute to hold a public hearing before making any new rules, then a Notice of Public Hearing will appear following the text of the rule. Hearing dates must be at least thirty (30) days after publication of the notice in the *Missouri Register*. If no hearing is planned or required, the agency must give a Notice to Submit Comments. This allows anyone to file statements in support of or in opposition to the proposed action with the agency within a specified time, no less than thirty (30) days after publication of the notice in the *Missouri Register*.

**A**n agency may hold a public hearing on a rule even though not required by law to hold one. If an agency allows comments to be received following the hearing date, the close of comments date will be used as the beginning day in the ninety- (90-) day-count necessary for the filing of the order of rulemaking.

**I**f an agency decides to hold a public hearing after planning not to, it must withdraw the earlier notice and file a new notice of proposed rulemaking and schedule a hearing for a date not less than thirty (30) days from the date of publication of the new notice.

**Title 11—DEPARTMENT OF PUBLIC SAFETY  
Division 70—Division of Alcohol and Tobacco Control  
Chapter 2—Rules and Regulations**

**PROPOSED AMENDMENT**

**11 CSR 70-2.240 Advertising of Intoxicating Liquor [and Nonintoxicating Beer].** The division is amending sections (1)–(18).

**PURPOSE:** This amendment reflects the elimination of language that the Division of Alcohol and Tobacco Control has been enjoined from enforcing, which now allows manufacturers of intoxicating liquor to offer consumer rebate coupons and advertise of sales price below cost. (B) All information should be submitted to the address referenced in paragraph (4)(A)1. of this subsection.

(5) All diaper banks must establish their eligibility for the Diaper Bank Tax Credit Program on a prospective basis by submitting an application for eligibility along with the required documentation as stated in subsection (4) (A) of this rule no later than June 1.

(6) By August 1, the director will make a determination of qualification and notify the diaper bank of the determination in writing.

(7) Qualified diaper banks must contact the Department of Social Services within thirty (30) days of any changes in business functions that could impact their qualifying status. The department will review the agency's eligibility for participation in this tax credit program and notify the agency of the determination in writing.

(8) A qualified diaper bank shall report the receipt of any contribution it believes qualifies for the tax credit on a form provided by the Department of Social Services. This form is known as the Diaper Bank Tax Credit Application for Claiming Tax Credits.

(A) Diaper banks may request the tax credit application at the Department of Social Services website: [www.dss.mo.gov](http://www.dss.mo.gov) or by writing to the address referenced in paragraph (4)(A)1. of this rule.

6. Real estate—the fair market value of the real estate within three (3) months prior to the date of the donation. The fair market value is the lower of at least two (2) qualified independent appraisals for commercial, vacant, or residential property that has been determined to have a value of over fifty thousand dollars (\$50,000). Commercial, vacant, or residential property having a value of fifty thousand dollars (\$50,000) or less will require only one (1) appraisal. The appraisals will be conducted by two (2) different, licensed real estate appraisers; and

Contributions that include a benefit to the donor—in addition to the documentation necessary in paragraphs (8)(D)1.-6., the diaper bank shall provide written documentation of the type of function or event from which the benefit was received, description of the benefit received (if an auction item, identify the item received), gross amount of the contribution, fair market value of the benefit, and how the fair market value of the benefit was determined.

(9) The director will verify with the Department of Revenue any outstanding balances due from the taxpayer's prior year's state tax liability. If a balance due is outstanding, the amount of tax credit issued under this rule will be reduced by that amount. The director is subject to the confidentiality and penalty provisions of section 32.057, RSMo, relating to the disclosure of tax information.

(10) Within forty-five (45) days of receipt of the tax credit application, the director will provide written notification of its decision to approve or deny the application to the following parties:

(A) Taxpayer (notification to the taxpayer will include the amount of tax credit that was approved); and

(B) Missouri Department of Revenue.

If a timely protest is filed, the director shall reconsider the determination the diaper bank has so requested. The director shall issue a final decision within forty-five (45) days of protest from the diaper bank.

(12) The director shall equally apportion the total available tax credits among all qualified diaper banks, and the apportionment will be effective the first day of each state fiscal year (FY).

(A) The director shall inform each qualified diaper bank of its share of the apportioned credits no later than thirty (30) days following July 1 of each fiscal year.

(B) The director will, no less than quarterly, review the cumulative amount of apportioned tax credits being utilized by each qualified diaper bank. Upon request by the director, diaper banks will provide in writing the amount their agency plans to utilize in tax credits for the fiscal year along with supporting documentation. Diaper banks seeking additional apportionment shall submit requests and supporting documentation to the director in writing. If a diaper bank fails to use all or a portion of their available tax credits throughout the fiscal year, the director may reapportion any unused tax credits to maximize the amount of tax credits available to taxpayers.

(C) Within thirty (30) days of any reapportionment, the director shall notify those diaper banks in writing that would be affected by the reapportioned tax credit. The director will consider comments the diaper banks submit concerning planned future uses of the agency's tax credit allocation prior to the end of the thirty (30) day period. document with the name and address of the health, hunger, and hygiene care provider; contributor's name, address, and telephone number; amount and date the contribution was received; and signature of a representative of the health, hunger, and hygiene provider receiving the contribution;

5. Stocks and bonds—the amount of the contribution is the fair market value of the item as of the date of the donation. Information required when submitting applications for tax credit shall include the source, date, and the number of shares of the stock which was donated;

6. Real estate—the fair market value of the real estate within three (3) months prior to the date of the donation. The fair market value is the lower of at least two (2) qualified independent appraisals for commercial, vacant, or residential property that has been determined to have a value of over fifty thousand dollars (\$50,000). Commercial, vacant, or residential property having a value of fifty thousand dollars (\$50,000) or less will require only one (1) appraisal. The appraisals will be conducted by two (2) different licensed real estate appraisers; and

7. Contributions that include a benefit to the donor—in addition to the documentation needed in paragraphs (3)(D)1.-6., the eligible provider must provide written documentation of the type of function or event from which the benefit was received, description of the benefit received (if an auction item, identify the item received), gross amount of the contribution, fair market value of the benefit, and how the fair market value of the benefit was determined;

(E) A statement describing how the eligible provider provides funding for unmet health, hunger, and hygiene needs of children in school; and

(F) Verification of the eligible provider's federal tax-exempt status.

(4) All applications and payments must be submitted within twelve (12) months from the date the eligible donation was received from the taxpayer. The date of submission will be determined by the date that the application and payment are postmarked. Tax credit applications submitted more than one (1) year following the date of the contribution will be void, and the right to the tax credit will be forfeited.

(5) Information required in section (3) of this rule must be submitted to the address referenced in subsection (3)(A).

(6) Upon receipt of the information required in subsection (3)(B), the Department of Social Services will verify with the Department of Revenue whether or not the taxpayer has any outstanding balances due from the taxpayer's prior year's state tax liability. If a balance due is outstanding, the amount of tax credit issued under this rule will be reduced by that amount. The director of the Department of Social Services is subject to the confidentiality and penalty provisions of section 32.057, RSMo, relating to the disclosure of tax information.

(7) Upon verification of the information required in section (3) of this rule, the DSS will issue a certificate to the taxpayer indicating the amount of tax credit that is approved for the application.

(A) Certificates will be mailed to the taxpayer at the address provided on the application submitted by the qualified health, hunger, and hygiene provider.

(B) The DSS will not provide information regarding taxpayers' state tax liability to unauthorized individuals.

(C) In the event a taxpayer's tax credit is reduced as a result of delinquent taxes, a refund will not be issued to the health, hunger, and hygiene provider.

(8) Approved tax credit certificates will be issued within forty-five (45) days of receipt of the completed application submitted by the qualified health, hunger, and hygiene provider.

(9) Each eligible unmet health, hunger, and hygiene needs provider

determination shall be final after receipt of written notice from the DSS, unless the unmet health, hunger, and hygiene needs provider files a protest with the director setting forth the grounds on which the protest is based, within thirty (30) days from the date of receipt of written notice from the DSS to the unmet health, hunger, and hygiene needs provider. If a timely protest is filed, the director shall reconsider the determination the unmet health, hunger, and hygiene needs provider has so requested. The director shall issue a final decision within forty-five (45) days of protest from the unmet health, hunger, and hygiene needs provider.

(10) The owner of a health, hunger, and hygiene provider tax credit certificate must notify the DSS within thirty (30) days of the date of the transaction to assign, transfer, sell, or convey the credit. Information submitted to effectuate such a transfer must include a complete and accurate DSS Tax Credit Transfer Form. Information on this page takes into consideration any voluntary reduction(s) taken in previous even numbered year(s). If in an even numbered year, the political subdivision wishes to no longer use the lowered tax rate ceiling to calculate its tax rate, it can hold a public hearing and pass a resolution, a policy statement, or an ordinance justifying its action prior to setting and certifying its tax rate. The information in the Informational Data, at the end of these forms, provides the rate that would be allowed had there been no previous voluntary reduction(s) taken in an even numbered year(s).

**The final version of this form MUST be sent to the county clerk.**

Debt Service Calculation for General Obligation Bonds Paid for with Property Taxes

The tax rate for debt service will be considered valid if, after making the payment(s) for which the tax was levied, the bonds remain outstanding, and the debt fund reserves do not exceed the following year's payments.

Since the property taxes are levied and collected on a calendar year basis (January - December), it is recommended that this levy be computed using calendar year data.

1. **Total current year assessed valuation** obtained from the county clerk or county assessor (Form A, Line 1 total) \_\_\_\_\_
2. **Amount required to pay debt service requirements during the next calendar year** (i.e. Assuming the current year is year 1, use January - December year 2 payments to complete the year 1 Form C) Include the principal and interest payments due on outstanding general obligation bond issues plus anticipated fees of any transfer agent or paying agent due during the next calendar year. \_\_\_\_\_
3. **Estimated costs of collection and anticipated delinquencies (i.e. collector fees & commissions & assessment fund withholdings)**  
Experience in prior years is the best guide for estimating uncollectible taxes.  
It is usually 2% to 10% of Line 2 above. \_\_\_\_\_
4. **Reasonable reserve up to one year's payment**  
(i.e. Assuming the current year is year 1, use January - December year 3 payments to complete the year 1 Form C) It is important that the debt service fund have sufficient reserves to prevent any default on the bonds.  
Include payments for the year following the next calendar year, accounted for on Line 2. \_\_\_\_\_
5. **Total required for debt service (Line 2 + Line 3 + Line 4)** \_\_\_\_\_
6. **Anticipated balance at end of current calendar year**  
Show the anticipated bank or fund balance at December 31st of this year (this will equal the current balance minus the amount of any principal or interest due before December 31st plus any estimated investment earning due before December 31st). Do not add the anticipated collections of this tax into this amount. \_\_\_\_\_
7. **Property tax revenue required for debt service (Line 5 - Line 6)**  
Line 6 is subtracted from Line 5 because, the debt service fund is only allowed to have the payments required for the next calendar year (Line 2) and the reasonable reserve of the following year's payment (Line 4). Any current balance in the fund is already available to meet these requirements so it is deducted from the total revenues required for debt service purposes. \_\_\_\_\_
8. **Estimated revenue from state assessed property for debt service for the next calendar year (January - December)** - must be estimated by the school district. In most instances a good estimate would be the same amount as the state assessed revenues actually placed in the debt service fund in the prior year. \_\_\_\_\_
- 8a. **New construction and improvements (Line 8 - Form A Line 14, if negative enter 0)** \_\_\_\_\_
- 8b. **Adjusted estimated current year revenue from state assessed property before reductions (Line 8 - Line 8a)** \_\_\_\_\_
9. **Revenue required from locally assessed property for debt service (Line 7 - Line 8b)** \_\_\_\_\_
10. **Computation of debt service tax rate (Line 9 / Line 1 x 100)**  
Round a fraction to the nearest one/one hundredth of a cent. \_\_\_\_\_
11. **Less voluntary reduction by school district** \_\_\_\_\_
12. **Actual rate to be levied for debt service purposes \* (Line 10 - Line 11)**  
**Enter this rate on Line AA of the Summary Page** \_\_\_\_\_

\* The tax rate levied may be lower than the rate computed as long as adequate funds are available to service the debt requirements.

Debt Service Calculation for General Obligation Bonds Paid for with Property Taxes

The tax rate for debt service will be considered valid if, after making the payment(s) for which the tax was levied, the bonds remain outstanding, and the debt fund reserves do not exceed the following year's payments.

Since the property taxes are levied and collected on a calendar year basis (January - December), it is recommended that this levy be computed using calendar year data.

1. **Total current year assessed valuation** obtained from the county clerk or county assessor (Form A, Line 1 total) \_\_\_\_\_
  2. **Amount required to pay debt service requirements during the next calendar year** (i.e. Assuming the current year is year 1, use January - December year 2 payments to complete the year 1 Form C) Include the principal and interest payments due on outstanding general obligation bond issues plus anticipated fees of any transfer agency or paying agent due during the next calendar year. \_\_\_\_\_
  3. **Estimated costs of collection and anticipated delinquencies (i.e. collector fees and commissions and assessment fund withholdings)**  
Experience in prior years is the best guide for estimating uncollectible taxes.  
It is 2% to 10% of Line 2 above. \_\_\_\_\_
  4. **Reasonable reserve up to one year's payment** (i.e. Assuming the current year is year 1, use January - December year 3 payments to complete the year 1 Form C) It is important that the debt service fund have sufficient reserves to prevent any default on the bonds. Include payments for the year following the next calendar year, accounted for on Line 2. \_\_\_\_\_
  5. **Total required for debt service (Line 2 + Line 3 + Line 4)** \_\_\_\_\_
  6. **Anticipated balance at end of current calendar year**  
Show the anticipated bank or fund balance at December 31st of this year (this will equal the current balance minus the amount of any principal or interest due before December 31st plus any estimated investment earnings due before December 31st). Do not add the anticipated collections of this tax into this amount. \_\_\_\_\_
  7. **Property tax revenue required for debt service (Line 5 - Line 6)**  
Line 6 is subtracted from Line 5 because the debt service fund is only allowed to have the payments required for the next calendar year (Line 2) and the reasonable reserve of the following year's payments (Line 4). Any current balance in the fund is already available to meet these requirements, so it is deducted from the total revenues required for debt service purposes. \_\_\_\_\_
  8. **Estimated revenue from state assessed property for debt service for the next calendar year (January - December)** - must be estimated by the school district. In most instances a good estimate would be the same amount as the state assessed revenues actually placed in the debt service fund in the prior year. \_\_\_\_\_
  - 8a. **New construction and improvements (Line 8 - Form A Line 16, if negative enter 0)** \_\_\_\_\_
  - 8b. **Adjusted estimated current year revenue from state assessed property before reductions (Line 8 - Line 8a)** \_\_\_\_\_
  9. **Revenue required from locally assessed property for debt service (Line 7 - Line 8b)** \_\_\_\_\_
  10. **Computation of debt service tax rate (Line 9 / Line 1 x 100)**  
Round a fraction to the nearest one/one hundredth of a cent. \_\_\_\_\_
  11. **Less voluntary reduction by political subdivision** \_\_\_\_\_
  12. **Actual rate to be levied for debt service purposes \* (Line 10 - Line 11)**  
**Enter this rate on the Summary Page, Line AA** \_\_\_\_\_
- \* The tax rate levied may be lower than the rate computed as long as adequate funds are available to service the debt requirements.

**Form G - Initial Calculation of Allowed Recoupment & Calculation of First Year Recoupment Taken**

For Compliance With Section 137.073.3(2)(a) and (b) RSMo

For School Districts With a Separate Rate on Each Subclass of Property

| Name of School District | School District Code | Purpose of Levy |
|-------------------------|----------------------|-----------------|
|-------------------------|----------------------|-----------------|

If assessments are reduced after tax rates are set and the reductions are due to decisions of the State Tax Commission or a judicial court or due to clerical corrections, the existing tax rate ceiling may be revised to compensate for the changes described above. A political subdivision may document these changes by filing revised copies of each of the tax rate forms for each year that is affected. These changes should be clearly marked on the revised forms and a written explanation of the revised should be attached.

Before completion of this form, revisions are required to the prior year(s) tax rate forms to determine the revised assessed valuation and revised tax rate ceiling. Revised forms must be filed with the State Auditor before or at the time the recoupment form is filed.

After making revisions, a political subdivision may be permitted to levy an additional tax for up to three years to recoup the revenues it was entitled to receive for the prior year(s) affected by the revisions. The steps below determine if a recoupment is permissible and document to what extent the political subdivision desires to recoup in the current year.

Start with the oldest prior year (if applicable) and work forward to the present.

Please provide a written explanation in the space below (or by attaching an explanation) as to why the political subdivision would be eligible for the recoupment process.

|-------------------------------|----------------------------|-----------------|

If assessments are reduced after tax rates are set and the reductions are due to decisions of the State Tax Commission or a judicial court or due to clerical corrections, the existing tax rate ceiling may be revised to compensate for the changes described above. A political subdivision may document these changes by filing revised copies of each of the tax rate forms for each year that is affected. These changes should be clearly marked on the revised forms and a written explanation of the revised should be attached.

Before completion of this form, revisions are required to the prior year(s) tax rate forms to determine the revised assessed valuation and revised tax rate ceiling. Revised forms must be filed with the State Auditor before or at the time the recoupment form is filed.

After making revisions, a political subdivision may be permitted to levy an additional tax for up to three years to recoup the revenues it was entitled to receive for the prior year(s) affected by the revisions. The steps below determine if a recoupment is permissible and document to what extent the political subdivision desires to recoup in the current year.

Start with the oldest prior year (if applicable) and work forward to the present.

Please provide a written explanation in the space below (or by attaching an explanation) as to why the political subdivision would be eligible for the recoupment process.

**I. Department Title:** Department of Health and Senior Services  
**Division Title:** Missouri State Public Health Laboratory  
**Chapter Title:** Testing for Metabolic Diseases

**Rule Number and Name:** 19 CSR 25-36.010 Testing for Metabolic and Genetic Disorders

**Type of Rulemaking:** Proposed Amendment

**II. SUMMARY OF FISCAL IMPACT**

| Affected Agency or Political Subdivision                     | Estimated Cost of Compliance in the Aggregate  |
|--|--|
| Missouri Department of Social Services/MO HealthNet Division | \$27,900 annually with projected first year fee increase; \$25,575 additional annually with projected second year fee increase; up to \$332,475 annually in the aggregate with implementation of additional fee increases up to the established fee cap. |

**III. WORKSHEET**

Projected first year increase: 15,000 specimen collection forms annually x \$3.00 fee increase for laboratory testing x 62% = \$27,900 annually.

Projected second year increase: 15,000 specimen collection forms annually x \$2.75 fee increase for laboratory testing x 62% = \$25,575 additional annually

Maximum increase: 15,000 specimen collection forms annually x \$35.75 fee increase for laboratory testing x 62% = \$332,475 annually in the aggregate

**IV. ASSUMPTIONS**

- Estimated 15,000 tests billed each year to MO HealthNet for Medicaid eligible participants.
- The MO HealthNet reimbursement rate is approximately 62% of the newborn screening fee associated with laboratory testing only. The remaining 38% is the state match required by the Department of Social Services. The Department of Health and Senior Services provides the required state match generated from the fees collected for all newborn screening testing.
- The increases anticipated in the first two years (\$3.00 year 1; \$2.75 year 2) are needed to support the costs of testing performed for Spinal Muscular Atrophy (SMA) and Mucopolysaccharidosis Type II (Hunter). SMA and Hunter screening are being implemented as required by SB 50 passed in 2017.
- Additional fee increases will be implemented by DHSS as necessary to financially support inflationary costs and additional testing that may be added to the newborn screening panel in the future. Additional tests would only be implemented after review and approval by the DHSS Genetics Advisory Committee in order to remain in compliance with such recommendations as the Recommended Uniform Screening Panel (RUSP) of the Secretary's Advisory Committee on Heritable Disorders in Newborns and Children or as required by legislation passed by the Missouri General Assembly.

**III. WORKSHEET**

Projected first year increase: 80,640 specimen collection forms annually x \$7.25 fee increase = \$584,640 annually  
Projected second year increase: 80,640 specimen collection forms annually x \$2.75 fee increase = \$221,760 additional annually  
Maximum increase: 80,640 specimen collection forms annually x \$40 fee increase = \$3,225,600 annually in the aggregate

**IV. ASSUMPTIONS**

- Estimated 80,640 specimen collection forms each year based on previous years.
- Number of entities affected estimated by number of previous submitters.
- The cost (estimated fee) of newborn screening will most likely be passed on to health insurance companies by the entities listed above.
- The newborn screening fee provides the funds necessary for the Department of Health and Senior Services to perform the established laboratory screening tests and associated follow-up services for a positive test result.
- The rule changes the fee cap ceiling from \$95 per specimen collection form to a cap of \$135 specimen collection form (possible total fee increase of \$40 per collection form).
- The increase anticipated in the first two years (\$7.25 year 1; \$2.75 year 2) are needed to support the costs of testing and follow-up services performed for Spinal Muscular Atrophy (SMA) and Mucopolysaccharidosis Type II (Hunter). The screening is being implemented as required by legislation passed by the Missouri General Assembly in fiscal year 2017.
- Additional fee increases will be implemented by DHSS as necessary to financially support inflationary costs and additional testing that may be added to the newborn screening panel in the future. Additional tests would only be implemented after review and approval by the DHSS Genetics Advisory Committee in order to remain in compliance with such recommendations as the Recommended Uniform Screening Panel (RUSP) of the Secretary's Advisory Committee on Heritable Disorders in Newborns and Children or as required by legislation passed by the Missouri General Assembly.

Chapter 4—Licensees and Their Responsibilities**

**PROPOSED AMENDMENT**

**20 CSR 2040-4.030 [Professional Boxing, Professional Wrestling, Professional Kickboxing, and Professional Full-Contact Karate] Referees.** The office is amending the title, sections (1), (9), (13), (14), and (16).

*PURPOSE: This rule is being amended to implement House Bill 1388 signed into law and effective August 28, 2018.*

(1) The referee is charged with the enforcement of all office rules that apply to the conduct of the contest and the conduct of the contestants and contestant's second(s) while s/he is in the ring. Before the office issues a referee's license:

(A) The applicant must:/—

1. Certify that s/he has read and understands Missouri laws and rules. Upon such certification the applicant shall be deemed to have full knowledge and understanding of said laws and rules; and

2. Have two (2) years of documented experience refereeing boxing, **wrestling, kickboxing, full-contact karate, or mixed martial arts** matches. It is not necessary that this experience be obtained by refereeing professional boxing, professional wrestling, professional **or amateur** kickboxing, **professional or amateur mixed martial arts**, or professional full-contact karate;

(B) The office may require:/—

1. The applicant take and pass a written test covering professional boxing, professional wrestling, professional **or amateur** kickboxing, **professional or amateur mixed martial arts**, and professional full-contact karate; and

2. The applicant **may be required** to have a physical examination by a licensed physician to determine fitness to perform.

(9) In the event of serious cuts or injuries, the referee shall summon the physician who shall [decide] **make a recommendation to the referee** if the bout should be stopped.

(13) When a fallen contestant rises and falls again without being hit again in a **boxing, kickboxing, or full-contact karate bout**, the referee may continue the original count, rather than starting a new count. If the bell rings ending the round during the count, the count shall continue [except when the bell rings ending the last round of the bout]. A contestant is deemed to be down when any part of his/her body, with the exception of his/her feet, is on the floor or if s/he is hanging helplessly on or over the ropes. A referee can count a contestant out either on the ropes or on the floor. During the eight- (8-) count, the referee should assess the condition of the contestant and either allow him/her to continue or stop the bout. During any count, the opponent should immediately go to the neutral corner and remain there until the referee signals the bout is to be continued. In the event the contestant who has scored the knockdown fails to go to the neutral corner, the referee may stop the count until the contestant who scored the knockdown returns to the neutral corner.

(14) In assessing fouls, the referee must weigh the cause as well as the effect. If the referee has seen a low blow (punch below the belt line) delivered and if the blow had a damaging effect, s/he may permit a rest period to the victim not to exceed five (5) minutes. During the rest period, seconds may not assist or coach the injured contestant. The offending contestant shall go to a neutral corner and shall not be coached during the period. If the injured contestant refuses to continue after a five- (5-) minute rest period, the opponent may be named the winner. The referee shall give an official warning for a low blow to the offending contestant, and then s/he will give the command to continue after the end of the rest period if the contestant who received the low blow indicates s/he is ready to continue the bout. Additional low blows shall be penalized with deduction of points from the offending contestant or disqualification of the offending contestant. A *[boxer]* **contestant** cannot be named the winner of a bout as the result of receiving a low blow unless, in the opinion of the referee, the blow was delivered deliberately and of enough force to seriously incapacitate the injured *[boxer]* **contestant** so that s/he could not continue the bout. Under this condition, the offender shall be disqualified immediately.

(16) Whenever a contestant has been injured, knocked out, or technically knocked out, the referee shall immediately summon the attending physician to aid the stricken contestant. Except at the request of the physician, no *[manager(s) or]* second(s) may be permitted to aid the stricken contestant.

**AUTHORITY:** section 317.006, *RSMo Supp. 2018*, and section 317.015, *RSMo 2016*. This rule originally filed as 4 CSR 40-4.030. Original rule filed April 30, 1982, effective Sept. 11, 1982. For intervening history, please consult the *Code of State Regulations*. Amended: Filed Jan. 25, 2019.

**Title 20—DEPARTMENT OF INSURANCE,  
FINANCIAL INSTITUTIONS AND PROFESSIONAL  
REGISTRATION  
Division 2040—Office of Athletics  
Chapter 5—*[Inspector Duties and]* Rules for  
Professional Boxing, Professional Wrestling, Professional  
and Amateur Kickboxing, and Professional Full-Contact  
Karate**

**PROPOSED AMENDMENT**

**20 CSR 2040-5.060 Rules for Professional and Amateur Kickboxing and Professional Full-Contact Karate.** The office is

amending the chapter title, purpose statement, adding new sections (6), (11), (13), and (22), deleting section (10), renumbering as necessary, and amending sections (2), (5), (7), (10), (12), and (19).

*PURPOSE: This rule is being amended to implement House Bill 1388 signed into law and effective August 28, 2018.*

*PURPOSE: This rule sets forth the official professional regulations of professional **and amateur** kickboxing and professional full-contact karate including kickboxing, [kung fu, tae kwan-do,] or any form of martial arts.*

(2) All male contestants are required to wear a [foul-proof] groin protector. All female contestants [are] **may be** required to wear plastic breast protectors and a protective pelvic girdle.

(5) The weigh-ins **for professional and amateur combined events** will be conducted within forty-eight (48) hours before the contest. The weigh-ins may be more than forty-eight (48) hours prior to the contest with special permission from the office. A contestant who fails to make the weight will be given up to two (2) hours to make weight. Any contestant who fails to make the weight may be disqualified.

**(6) For events that include amateur contestants only, all weigh-ins must be scheduled no earlier than 10:00 AM on the day of the event. There shall be no weight allowances for amateurs. Amateur contestants must compete within the weight classes listed in section (7) of this rule. No substitutes may be submitted after the weigh-in has begun unless approved by the office due to special circumstances.**

*[(6)](7) Professional [C]/contestants may only fight contestants in their own weight category unless permission is granted by the office. In no instance shall the office waive the weight category requirements, when the contestant's weight span exceeds ten (10) pounds **excluding** the weight classifications in subsections (L) and (M) of this section. Following is the schedule of weight classification:*

- (L) Cruiserweights 176-*[(190)]* **200** lbs.
- (M) Heavyweights over *[(190)]* **200** lbs.

*[(7)](8) The referee has general supervision of the bout. S/he enforces the rules, promotes safety of the contestants, and ensures fair play. Only the inspector may overrule the referee if the referee is not enforcing the rules. Before starting a bout the referee shall ascertain from each contestant the name of his/her chief second responsible for the conduct of the assistant seconds during the progress of the bout. The referee may call contestants together before each bout for final instructions, at which time each contestant may be accompanied by the chief second only.*

*[(8)](9) The three (3) judges shall be stationed at ringside, each at a separate side. The judges will score each round on a ten- (10-) point must system and turn the scorecards over to the referee after each round. The referee will then hand the scorecards to the inspector. A final decision must be made before the judges may leave the area. Any erasures or changes on the card must be approved and initialed by the judge and inspector.*

*[(9)](10) The attending physician will have an adequate room in which to make the physical examination. Whenever a contestant, because of illness or injuries, is unable to take part in a contracted bout, s/he or his/her [manager] **second** must immediately report the fact to the inspector. The contestant will then submit to an examination by a physician designated by the office. Contestants who have been knocked out will be kept lying down until they have recovered. When a contestant is knocked out, no one will touch him/her except the referee who will remove his/her mouthpiece, until the ringside*

physician enters the ring and personally attends **to** the contestant and issues necessary instructions to the contestant's second(s).

*[(10) Rounds involving male contestants may be no more than three (3) minutes in length with a one (1) minute rest period between rounds. Rounds involving females may be no more than two (2) minutes in length with a one (1) minute rest period between rounds. The maximum number of rounds for males and females is twelve (12) rounds.]*

**(11) No professional bout may exceed twelve (12) rounds nor be less than three (3) rounds. Round lengths may be reduced to as low as one (1) minute in length with a one (1) minute rest period between rounds. The maximum number of rounds for an amateur kickboxing bout shall be five (5) rounds.**

*[(11)](12) Any contestant guilty of foul tactics in a round will be given an immediate warning or points may be deducted from the contestant's total score, or both, as determined by the referee. The use of foul tactics also may result in the disqualification of the contestant. The following tactics are considered fouls:*

- (A) Headbutts, knee strikes, elbow strikes, or clubbing blows with the hand;
- (B) Striking the groin, woman's breast, the spine, throat, collarbone or that part of the body over the kidneys;
- (C) Palm heel strikes;
- (D) Antijoint techniques;
- (E) Jabbing the eye with the thumb of the glove;
- (F) Hitting with the glove open, or with the wrist or forearm;
- (G) Grabbing or holding onto an opponent's leg or foot;
- (H) Holding an opponent with one hand and hitting with the other;
- (I) Leg checking the opponent's leg or stepping on the opponent's foot to prevent the opponent from moving or kicking;
- (J) Purposely going down without being hit;
- (K) Using abusive language in the ring;
- (L) Unsportsmanlike conduct;
- (M) Attacking on the break;
- (N) Attacking after the bell has sounded ending the round;
- (O) Intentionally pushing, shoving, or wrestling an opponent out of the ring;
- (P) Biting; *[and]*
- (Q) Linear or thrusting kicks directed at the knee including front kicks, side kicks and back kicks;**
- (R) Amateur rule differences, no knee strikes to the head of any kind; and**

*[(Q)](S) Any other actions that are deemed fouls by the referee or inspector that are not described above may be called by the referee and appropriate action taken by the referee.*

*[(12) Contestants may be subject to minimum kickboxing requirements pursuant to an agreement with the promoter and the office.]*

**(13) Amateur contestants may clinch in order to immediately attack with a legal knee strike to the body only. If the knee attack and/or counter attack by the opponent is continuous and in the opinion of the referee productive, the referee may allow the knee strikes to continue up to five (5) seconds and the fighters shall be directed to break the clinch by the referee.**

**(A) Amateur contestants may wear headgear and shin pads, however, if neither device will be worn in a bout, both contestants must mutually agree to this fact in the written bout agreement.**

**(B) Amateur contestants may not wear gloves smaller than twelve (12) ounces.**

**(C) Kickboxing may take place in a ring or in a cage with special permission of the office.**

**[(13)](14)** A contestant who intentionally refuses to engage an opponent for a prolonged period of time may receive an immediate warning from the referee. If the contestant continues these tactics after a warning, a point will be deducted by the referee.

**[(14)](15)** The referee shall stop the bout for any of the following reasons:

(A) The referee determines that one (1) of the contestants is clearly less experienced and/or skilled than his/her opponent to the extent that allowing the bout to continue would pose a substantial risk of serious harm or injury to the less-experienced/skilled contestant;

(B) The referee decides that a contestant is not making his/her best effort; or

(C) For any other reason the referee deems sufficient.

**[(15)](16)** In the event of serious cuts or injuries, the referee shall summon the physician who decides if the bout should be stopped.

**[(16)](17)** If a contestant fails or refuses to resume fighting when the bell sounds starting the next round, the referee will award a technical knockout to his/her opponent as of the last completed round.

**[(17)](18)** Before a felled contestant resumes fighting after slipping, falling, or being knocked to the floor, the referee shall wipe the contestant's gloves free of any foreign substance.

**[(18)](19)** When a contestant is knocked down, the referee shall order the opponent to retire to *[the]* a **neutral** corner of the ring, point to the corner, and immediately begin the count over the downed contestant. The referee will pick up the count from the timekeeper and audibly announce the passing seconds, accompanying the count with arm motions. Any time a contestant is knocked down, the referee will automatically begin a mandatory eight (8) count and then, if the contestant appears able to continue, will allow the bout to resume. If a contestant who is down, rises before the count of ten (10) is reached and goes down immediately without being struck, the referee shall resume the count where it was left off. If the contestant is still down when the referee calls the count of ten (10), the referee will wave both arms to indicate that the contestant has been knocked out and will signal that the opponent is the winner. If a round ends before the referee reaches ten (10), the contestant must still rise before the count of ten (10) to avert a knockout. A contestant will be declared knocked down when, as a result of any legal blow or strike, any portion of the contestant's body other than the feet touches the floor.

**[(19)](20)** The referee, at his/her discretion, may request that the attending physician examine a contestant during the bout. Should the examination occur during the course of a round, the clock shall be stopped until the examination is completed. The physician may order the referee to stop the bout. The referee will then render the appropriate decision.

**[(20)](21)** Injuries sustained by fouls **include**:

(A) Intentional Fouls.

1. If an intentional foul causes an injury, and the injury is severe enough to terminate a bout immediately, the contestant causing the injury may lose by disqualification.

2. If an intentional foul causes an injury and the bout is allowed to continue, the referee will notify the authorities and deduct two (2) points from the contestant who caused the foul. Point deductions for intentional fouls will be mandatory.

3. If an intentional foul causes an injury and the injury results in the bout being stopped in a later round, the injured contestant will win by technical decision if s/he is ahead on the scorecards or the bout will result in a technical draw if the injured contestant is behind or even on the scorecards.

4. If a contestant injures him/herself while attempting to inten-

tionally foul his/her opponent, the referee will not take any action in his/her favor, and this injury will be the same as one (1) produced by a fair blow.

5. If the referee feels that a contestant has conducted him/herself in an unsportsmanlike manner s/he may stop the bout and disqualify the contestant;

(B) Accidental Fouls.

1. If an accidental foul causes an injury severe enough for the referee to stop the bout immediately, the bout will result in a no contest if stopped before four (4) completed rounds.

2. If an accidental foul causes an injury severe enough for the referee to stop the bout immediately after four (4) rounds have been completed, the bout will result in a technical decision awarded to the contestant who is ahead on the scorecards at the time the bout is stopped. A partial or incomplete round will be scored. If no action has occurred, the round should be scored as an even round. This is at the discretion of the judges.

3. A contestant who is hit with an accidental low blow must continue after a reasonable amount of time but no more than five (5) minutes or s/he will lose the fight by technical knockout.

**(22)** Before the office issues a permit for an event, the promoter shall provide the office proof of insurance providing for payment of each contestant in the amount of at least ten thousand (\$10,000) dollars in case of injury or at least ten thousand (\$10,000) dollars in case of death. No contestant may waive the insurance coverage. Promoter shall be responsible for deductible payments, if any.

This proposed amendment becomes effective thirty (30) days after publication in the *Code of State Regulations*.

SUMMARY OF COMMENTS: The Missouri Department of Social Services, Family Support Division (FSD) received two (2) comments from one (1) interested party on the proposed amendment.

COMMENT #1: Dan Pingelton, Pingelton Law Firm, comments that the proposed amendment is contrary to Missouri case law and appears to facilitate an expedient resolution of establishment and modification cases administered by the Family Support Division. Mr. Pingelton also comments that Missouri law adequately addresses the

establishment and modification of support obligations for inmates and the appropriate and fair enforcement procedures for arrearages upon release. This portion of the proposed amendment is not necessary; and is contrary to Missouri law.

RESPONSE: This proposed regulation is necessary to comply with federal regulations. The Family Support Division (FSD) is not making changes to the proposed regulation based on the comment.

On December 20, 2016, the Office of Child Support Enforcement (OCSE) published the Flexibility, Efficiency, and Modernization in Child Support Enforcement Programs final rule. This final rule revised 45 CFR 302.56 (c) to no longer allow states like Missouri to treat incarceration as voluntary unemployment in establishing or modifying support orders. FSD must comply with the revisions to 45 CFR 302.56 (c) in order to have an approved Title IV–D State Plan. Failure to have an approved Title IV–D State Plan may result in the loss of all federal funding for the child support program, and a loss of federal funding for the Temporary Assistance for Needy Families program.

Federal regulation defines incarceration as involuntary unemployment allowing for FSD to define income for incarcerated individuals in 13 CSR 40-102.010, Section (2)(A).2. The Directions, Comments for use and Examples for the Completion of Form No. 14 issued by the Missouri Supreme Court states: “Income for purposes of computing the presumed child support amount consists of a financial benefit or money received by a parent that could have a positive impact on the parent’s ability to support the parent’s children.” The monetary compensation the incarcerated parent receives for engaging in work or education programs while incarcerated is not contrary to the Form 14 definition of “Income.” If the incarcerated parent has other sources of income, FSD will include that income in the calculation of the presumed child support amount.

COMMENT #2: Dan Pingelton, Pingelton Law Firm, comments that the proposed amendment would create a non-rebuttable presumption in favor of the obligor whenever the parties’ evidence conflicts.

RESPONSE: The parties have an opportunity to rebut the presumed child support amount by requesting an administrative hearing. If the party disagrees with the administrative hearing decision, the party may file a petition for judicial review. The Family Support Division (FSD) is not making changes to the proposed amendment based on the comment.

Generally, FSD only addresses credit for overnight visitation or custody on the Form 14 when proposing to modify a judicial order. When the parties cannot agree on the number of overnight FSD must make a determination to complete the motion for modification. The parties to the case can request a hearing on the motion for modification to address the accuracy of the number of overnight visits. At the hearing, any party to the order can seek to rebut the presumed child support amount based on the number of overnight visits. If a hearing is requested the administrative hearing officer, based upon additional fact finding, evidence, and determination of the credibility of witnesses, will determine the number of overnights that will be included on the Form 14 thereby addressing any disagreements by the parties.

**Title 13—DEPARTMENT OF SOCIAL SERVICES  
Division 65—Missouri Medicaid Audit and Compliance  
Chapter 3—Providers and Participants—General Provider  
and Participant Policies**

**ORDER OF RULEMAKING**

By the authority vested in the Department of Social Services, Missouri Medicaid Audit and Compliance, under sections 208.201 and 660.017, RSMo 2016, the division adopts a rule as follows:

**13 CSR 65-3.060 Computation of Provider Overpayment by  
Statistical Sampling is adopted.**

A notice of proposed rulemaking containing the text of the proposed rule was published in the *Missouri Register* on October 1, 2018 (43 MoReg 2858-2859). No changes have been made in the text of the proposed rule, so it is not reprinted here. This proposed rule becomes effective thirty (30) days after publication in the *Code of State Regulations*.

**SUMMARY OF COMMENTS:** The Missouri Department of Social Services, Missouri Medicaid and Compliance Unit (MMAC) received one (1) comment from one (1) interested party on the proposed rule.

**COMMENT #1:** The Missouri Hospital Association (MHA) requested stricter definitions of the sampling and extrapolation methodology as a means of ensuring providers' confidence that the sampling and extrapolation results would be fair and unbiased.

**RESPONSE:** Statistical sampling is a judicially approved procedure to review healthcare claims for the purpose of identifying improper payment amounts. See *Chaves County Home Health Svcs. v. Sullivan*, 931 F.2d 914 (D.C. Cir. 1991). DSS believes that the information required to be submitted to a provider by subsection (3) of the proposed regulation when an overpayment is identified through statistical sampling affords a provider adequate data to assess the fairness of the extrapolation results and contest the overpayment if the provider believes a mistake has been made. No changes have been made to the rule as a result of this comment.

**COMMENT #1:** Caleb Neeley, Executive Assistant, MO HealthNet Division stated that in an attempt to be more accurate with "incorporations by reference" in the Department's rules; we would like to comment that this proposed amendment should be reviewed and have any "incorporations" added as determined necessary by the department.

**RESPONSE AND EXPLANATION OF CHANGE:** MO HealthNet Division has amended this final rule to include an incorporation by reference.

**IN ADDITION**

Pursuant to section 376.1224, RSMo, regarding the maximum prescribed insurance benefit for the coverage of applied behavior analysis for the treatment of autism, the director of Insurance, Financial Institutions and Professional Registration is required to calculate the new maximum each year to adjust for inflation.

Using Consumer Price Index (CPI) for All Urban Consumers (US City Average), as required by section 376.1224, RSMo, the new maximum required benefit was established by the following calculations:

Index Based on 1984 Dollars  
CPI for 2017: 245.120  
CPI for 2018: 251.107

New ABA Mandated Maximum Benefit = 2018 Limit × (2018 Annual Index/2017 Annual Index)

$\$44,760 \times (251.107/245.120) = \$45,853$
